Download

2Flyer RSS Screensaver is a free and fast RSS screensaver for windows. It shows you the latest news and latest news headlines from various RSS news sources. It comes with a configurable feed handling mode, so you can specify how often to reload RSS sources, where to save feeds (by folder), auto-start or not, how many feeds to show, and whether to scroll through or pause scrolling. 2Flyer RSS Screensaver can be set as a screensaver or as an RSS feed reloader. You can specify its settings and set it to start at

startup or on a system tray icon double click. If you select the "steal focus" option, the RSS feed screen will steal focus when it is started. The program's feeds can be specified as one, many or all active RSS sources. 2Flyer RSS Screensaver supports all major feed formats including RSS, RDF and Atom. You can select your favorite RSS readers or use built-in Google Reader, Twitter and Facebook feeds. Each feeds can be specified to reload automatically or not. The program also has built-in RSS refresh tool for RSS files. You can use the tool to batch update all feeds or update only

selected feeds. 2Flyer RSS
